

ATTENTION

The City of Anamosa is requesting that all floral arrangements be removed from grave sites at the Riverside Cemetery by May 20, 2019.

Recently placed arrangements can remain if they are placed within 12 inches of the base. It is requested that arrangements be placed on the stone, right up next to the stone, or on a shepherd's hook next to the stone. This request is being made to allow for the preparation of the cemetery for the Memorial Day Holiday. Your cooperation is greatly appreciated.

If you have any questions, please contact City Hall at 462-6055. Thank You.
